

ABHAYA INSTITUTE OF ALLIED HEALTH SCIENCES

BANGALORE -82

Clinical Facility:

Abhaya institutions is a pioneer in providing quality education in theory and clinical practice since decades. We provide hands on experience and exposure to clinical settings and in simulation lab. We have our own Abhaya hospitals, Hosur road and Abhaya addiction recovery center, where students will be posted in all departments as their specialty and learn in a highly technically advanced setup. We also have affiliation with other specialized government and corporate hospitals across Karnataka.

We have simulation lab for learning procedures on mannequins before the students are actually posted in clinical, so that they can perform with full confidence and compassion in real setup.

Facilities:

We have all the facilities required for the students

- Hostel

We have both hostels for girls and boys separately with full time warden and all necessary amenities

- Cafeteria
- Own hospital
- Library

We have good number of best authors and access E-Books & E-Journals – EBSCO (cinahl), Proquest, JP digital, Cambridge university press, Oxford university press, Wolters kulwer, McGraw Hill.

- Laboratory

We have full-fledged laboratories of each specialty with working mannequins.
